“You’ll find all sorts of different guides or rules for being a street photographer, in books like this or in online articles. But the truth is, if you really want to be thought of as one, you just need to take candid photographs in public.” Craig Whitehead, *Find Your Frame: A street photography masterclass*. 2023 Quarto Publishing Group, London. ISBN 978-0-7112-8363-3
