

Haggard Library

Available Display Spaces

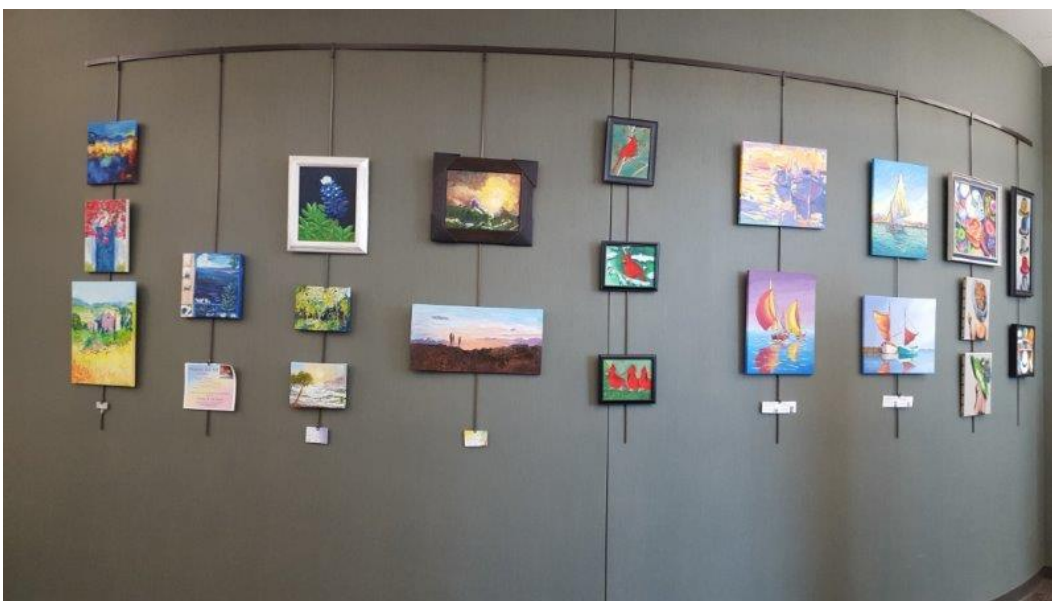

Second Floor Flat Wall

24 linear feet of flat wall space in the Adult reading area with a northern exposure through frosted glass. This space is ideal for displaying large format artwork on canvas or other similar mounted and framed materials on 6 foot long vertical rods. Wires or saw-tooth hangers must be installed on artwork.

Second Floor Curved Wall

24 linear feet of gently curved wall space in the Adult Fiction area with two separate sections (20+4) appropriate for displaying canvas or mounted and framed pieces on 6 foot long vertical rods. Wires or saw-tooth hangers must be installed on artwork.

Second Floor Quiet Study Room (East and West Wall)

The Quiet Study Room features 27 linear feet of north-facing wall space and 18 linear feet of south-facing wall space. Walls can be reserved separately. This space is ideal for displaying large format artwork on canvas or other similar mounted and framed materials on 6 foot long vertical rods. Wires or saw-tooth hangers must be installed on artwork.

Panels

Two six-sided carpeted configurable exhibition panels (7' x 38") that can accommodate artwork with wires. Additionally, the use of pins is permitted. Example configurations shown below.

Display Pedestals

Three display pedestals with acrylic covers (15" W x 15" D x 20" H - interior dimensions; 62" overall height) in the Adult Non-Fiction area for 3-dimensional works.
